2 of changes since you've came into office?

3 A. That's correct.

4 Q. And we discussed a lot of the improvements that
5 you've made, right?

6 A. That's correct.

7 Q. And with all the changes and improvements that
8 you've made in your year or so, do you believe
9 that DPD is now meeting the basic needs of its
10 citizens when it comes to public safety?

11 A. I would say so. I mean, I'm not suggesting that
12 the work doesn't continue. I still think the
13 number of crimes, the sheer number of violent
14 crimes is still too high, and while we are
15 reducing crime, are we going to live in a crime
16 free society, there are no crime free. But so the
17 work does continue.

18 Q. But at the very least, you're meeting the basic
19 needs of the citizens when it comes to public
20 safety, right?

21 A. I believe so, but I use as a gauge what the people
22 from the community tell me.

23 Q. And have the people from the community told you
24 that DPD is now meeting the basic needs when it
25 comes to public safety?
